4 Bedroom, 3.00 Bathroom, 2,392 sqft

Residential on 0.26 Acres

DEER PATH PH 01, OCALA, FL

Originally built by Murphy Kaufman in 2003, this stunning 4-bedroom, 3-bathroom pool home with a private in-law suite has been fully transformed through a top-to-bottom renovation completed in 2024 and 2025. The front entryway wall and column were removed to create a spacious, open-concept layout connecting the entry, kitchen, and great room, all accented with decorative stone knee walls and brand-new Shaw luxury vinyl plank flooring throughout the main living areas, bedrooms, and hallways. The reimagined kitchen is a chef's dream, featuring new solid wood cushion-close dovetail cabinetry with 42" uppers, quartz countertops in Black Taurus, a farmhouse sink with integrated cutting board and drying rack, upgraded plumbing fixtures, a garbage disposal, and all-new LG stainless steel appliances including a gas cooktop and double oven. The kitchen island was restructured to offer additional bar-top seating, seamlessly blending into the great room for ideal entertaining. The master suite offers private access to the pool area and a fully renovated bathroom boasting matching cabinetry and quartz, a luxurious garden tub, walk-in tile shower with glass enclosure and dual spray heads, and all new fixtures. All three bathrooms in the home have been updated with new toilets, upgraded plumbing, and modern finishes. Additional upgrades throughout include 5 1/4" baseboards, new door casings with decorative show molding, new Sherwin Williams paint inside and out,

ambient mood lighting accessible by a quick light switch toggle, and new ceiling fans throughout the interior and pool area. A custom trifold rear glass panel door opens to a beautifully updated pool area under a screened birdcage enclosure, featuring new pavers, tropical landscaping with irrigation, new lighting, and direct access to a full bathroom in the in-law suite. The attached in-law apartment has its own private entrance, full kitchen with new stainless appliances, separate HVAC system, spacious living room, and a full bedroom and bath. The home also includes an oversized extended garage, a newer roof just three years old, two freshly serviced AC units, a new stucco mailbox with decorative band, new outdoor coach and motion-sensor lighting, and a new vinyl privacy fence with an oversized gate—perfect for boat or ATV storage. Smart security is included with Arlo cameras that are easily managed via a mobile app. This home blends luxury, flexibility, and functionality in one incredible, move-in-ready package.
